TŪPOREARIKI

This month in partnership with Mahi a Atua and Ngāti Porou Oranga we held an awesome new kaupapa for Primary Mental Health, Tūporeariki: An Indigenous Healing Journey.

Ngā mihi tino nui to all whānau who came out to wānanga together around issues that keep us stuck. We've learnt what 'primary mental health' is about, while engaging pūrākau, moko, music and whanaungatanga.

CERVICAL SCREENING AWARENESS MONTH

A big mihi to our local Nurse Julie and Moko for providing essential health service and bringing Cervical Screening self-test kits to Manaaki Matakāoa for our whānau to self-test.

A huge thank you also to our wāhine who took the initiative to self-test, Ka Mau Te Wehi!

If you're due or overdue for screening, please visit your healthcare provider and request a self-test kit. Tiakina to Hauora, hei oranga mō tō whānau

NGĀ TĀONGA O MATAKĀOA

Ngā Tāonga o Matakāoa (Pakeke Day) continued this month with more whanaungatanga, learning new waiata, Ukulele lessons, trips and more planning.

Always a pleasure to see our pakeke every week. Our pakeke managed to organize a lot, including a fundraising table at the September Market to help go towards our Pakeke Xmas Breakup later this year. We had 4 quick fire raffles, selling avocados and of course Nanny Bargo's sponges which raised a total of \$705 – a great team effort pakeke mā.

This month 7 of our pakeke also attended the Kairakau premiere at Te Kura Kaupapa Māori o Kawakawa Mai Tawhiti followed by a delectable hākari at Hinemaurea Marae

A thoroughly enjoyable evening for our pakeke and team.
