OFFICE CLOSED

Next week our kaimahi will be out of office and at wananga for professional development and planning.

For all urgent inquiries, please contact us through our Facebook Page, website, or through info@manaakimatakaoa.com

Wananga dates: 8th - 12th July 2024

Hineteiwaiwa Māmā Pēpi

Our Hineteiwaiwa Māmā/pepi roopu had an awesome day in Wānanga this month, learning about Taonga Puoro and the benefits of using them during and after Haputanga. Renee also introduced <u>Tūpuna Parenting</u> skills from the Ngakau Aroha movement to help decolonize our Parenting ways.

Ngā Tāonga o Matakāoa

Ngā Tāonga o Matakāoa (Pakeke Day) continued this month with our regular Reo classes with Kōka Makere, continuing learning new waiata and Ukulele lessons. They also went to Whakatane for Ngā Tohunga o te Moana a Toi for mirimiri and healing.

Big mihi to all who have attended and supported this weekly programme. We have a lot more exciting activities planned in the coming months, nau mai haere mai pakeke mā.

Happening every Wednesday (10:00AM - 1:00PM)

Oranga Whānau/Kaimahi Taiwhenua & Kaiawhina

They have also continued to deliver firewood to Pakeke around Matakāoa keeping whānau warm this winter. Special thanks to Ngati Porou Oranga for organising some of the firewood for our Pakeke this Winter.

The team have a few more pakeke on their list, if you or a pakeke member you know have not received a load yet please reach out to the page to confirm.

If you would like to go through a Whānau Plan, please reach out to one of the team to arrange a time best suited for you or send us an email at info@manaakimatakaoa.com.

Tamariki Taiea / Rehekō Rangatahi

Tümeke Taite (Tamariki Taiea/Rehekō Rangatahi) weekly hākinakina continued for term 2 this month. We Delivered 2 Tumeke Taite programmes for the month. All held at Te Kura Kaupapa Māori o Kawakawa Mai Tawhiti gym with around 20 - 25 Tamariki/Rangatahi attending weekly.

Big mihi once again to Te Kura Kaupapa Māori o Kawakawa Mai Tawhiti for continuing to support our weekly kaupapa. Check out our Facebook page for regular updates and upcoming events.

Maui Whakahi Programme

Our Maui Whakahi programme successfully provided a unique and empowering experience for three rangatahi. The boys demonstrated their ability to work together, teamwork, collaboration skills, resource management, and adventure, they grew and learnt valuable lessons.

Their determination and enthusiasm shined through. We're proud of their accomplishments and grateful for the opportunity to support their growth.

This journey and many more will have a lasting impact on their lives, and we are thrilled to give them the opportunity to build positive life experiences in their mahi.

A special mihi goes out to farm Manager Tim Herlihy and Casey Mullany Herlihy from Papuni Station for inviting the Maui Whakahi team over to help address their persistent wild pig problem.

Piki Te Ora

Remote Patient Monitoring (RPM) is one way our whānau can lead their own hauora.

This pilot programme helps empower our whanau to manage their own health between GP visits by combining a tech savvy monitoring device, along with kaimanaaki support, to monitor illnesses such as heart conditions and COPD, which are ready to go, the diabetes program is still being developed, but will be released in the near future.

Manaaki Matakaoa are looking at onboarding 15 whanau to RPM pilot programme.

If you or someone in your whānau are interested in being apart of this pilot programme.

Please reach out to one of the team, or contact us at info@manaakimatakaoa.com.

Climate Resilience - Weather

With all the recent persistent and intense rainfall in our region, it has led to unforeseen and unprecedented flooding, affecting whanau and their properties that have not experienced such events before.

Our kaimahi taiwhenua team have also been actively engaged in our community providing essential services such as Tree trimming, drainage, general home repairs and more.

It is important that we build preparedness at both community and household levels.

Influenza Vaccines Avaliable

Don't let flu season get you under the weather.

Influenza vaccination is recommended for all people six months of age and over.

Ngati Porou Oranga are committed to ensuring our Māori and Pasifika whānau aged 55 - 64 have ongoing access to FREE INFLUENZA VACCINATIONS.

Ngati Porou Oranga encourage and support our whānau to be as well as possible. Therefore, with winter around the corner, we want you to able to protect yourself.

Get prepped and get vaxed!

Covid-19 Statistics

Latest figures show there have been 8943 new cases of Covid-19 reported in New Zealand over the week to Sunday June 30th, and 25 further deaths attributed to the virus.

As expected, we saw a large spike in Covid-19 cases here in Matakaoa this Cold and Flu season. Seeing at least 11 more positive cases this month, reaching out for awhi and support.

Our communities here on the East Coast are some of the most isolated from clinical care in the country, with high levels of co-morbidities and socio-economic factors that increase the risk of severe covid, all of which demands an innovative, preventative and dynamic response to Covid-19. Manaaki Matakāoa is continuing to minimise Covid-19 in our community through regular testing and supported isolation.

OUR COVID CARE SERVICES INCLUDE:

Special mihi - Farewell

We also want to acknowledge and send a special mihi to Ruby Te Purei, Renee Papuni, and Phil Reid for all their hard mahi and commitments during their time here at Manaaki Matakāoa. We want to wish them all the very best on all their future endeavors.

Ngā mihi nui mai te whānau o Manaaki Matakāoa.

Ka mate kainga tahi, ka ora kainga rua
